

"STAR POWER!" WORKSHOP

STAR POWER! Workshop for Actors and non-actors results in you expressing your new Star Power Identity that is set up to succeed; bringing that "IT" factor into your life and work, enjoying a more successful life and career and having that winning edge!

STAR POWER!, the book, was *originally* written for Actors. It speaks of how to bring the Actor from success to stardom. However, Ms. Shurin has recently found that these same principles benefit anyone in any profession: attorneys, doctors, salespeople, parents, teachers, students, designers, politicians and more. She hopes these life-altering principles will be used for the betterment of humanity.

STAR POWER!, the workshop, engages the Actor and non-actor in new possibilities, helping them develop their Authentic Self and define their Individual Signature. As an acting coach, it is Ms. Shurin's job to transform good actors into "brilliant" ones. For non-actors it's how to transform anyone that wants a qualitative difference in their lives. This is a workshop about Ms. Shurin's new discoveries about how to define an Individual Signature for each person. The combination of Individual Signature, Transformed Identity and commitment to design a new blueprint and vision for your life is the essence of Star Power.

STAR POWER! works. It begins with valuing your own self.

STAR POWER! is for everyone.

"It's in all of us but it takes "Star Power!" to bring it out." ~ Christianne Tisdale, *Beauty & The Beast, Law & Order Criminal Intent*

Sande Shurin - 30 year veteran acting coach developed her own technique, Transformational Acting (her first book) and has coached/directed such names as Mathew Modine, Sylvia Miles, Anthony Rapp, super model Shalom Harlow and music legend Method Man. On Broadway she directed *The Price Of Genius* also directing at such venues as BAM, Playwright's Horizons, Carnegie Hall & Lincoln Center. Her two films *Museum Scandals* and *True Love* have garnered accolades in film festivals. She was celebrity acting coach on *America's Next Top Model* and cuts of her were seen on *OPRAH* from the TV show *Faking It*. She has lectured at many Universities. The results of some of her coaching has been seen in Nobel Prize winning play *Anna In The Tropics* and in Tony winners *Gypsy*, *Rent*, *Mama Mia*, *The Drowsy Chaperone* and *Spamalot* as well as scores of films and TV shows. STAR POWER! (release: Fall 2009) was written to develop actors into stars. However Shurin discovered that these same principles that work for actors also work for non-actors. Shurin has developed a new workshop based on the principles of this book.

Bruce Levy - As co-founder of the Sande Shurin Acting Studios and Shurin/Levy Enterprises Inc., Bruce bridges the Acting and Non-Acting communities with his experience.
